

GRAY UNITED METHODIST CHURCH YOUTH MINISTRIES

Mission & Purpose: We believe that all youth are a gift from God and have gifts to offer in the ministry of the church. We also believe that the church shares responsibility with the parents for the spiritual well being of each individual.

Therefore, it is our purpose to help youth establish a personal relationship with Jesus Christ and continue to grow in their faith in everyday life experiences through worshipping, learning, serving, and fellowship.

Youth Director: Bryan Orchard

Youth Counselors:

Some of the Ministry Opportunities:
